

## **Borough Council Update -**

**5G Mast:** I'm pleased to report that this planning application has been withdrawn. Whilst we don't know the reason why I would hope it was in response to seeing the strength of local feeling expressed through submissions made through the planning portal.

**Local Plan:** Work has started on the review of the Eastleigh Borough Local Plan 2016-2036. This review will guide future development in the Borough. It will be used to determine planning applications and will update the policies and sites in the recently adopted Local Plan.

**Public Art:** A new Public Art Strategy has been launched by EBC.

### **Upcoming Events:**

Summer Socials @ The Point on Friday & Saturday evenings throughout July.

Eastleigh Mela Sunday 23rd July @ Leigh Road Recreation Ground

### **County Council Update:**

**Eastleigh Town Centre - Cycle Route Improvements:** This scheme has recently started and will see a new cycle route being put in place that will provide a continuous cycle route between Eastleigh train station and Arnold Road via Eastleigh town centre.

Works have already begun which will see some periods of disruption to town centre traffic and the bus station between now and November.

Due to a change in the works schedule, Eastleigh Bus station will not now close on 17 July for three weeks but will remain open. However, the bus station will need to close to facilitate work later in the summer. The exact dates will be communicated nearer the time.

**2023 Food Waste Reduction Survey:** HCC is looking at ways to help people in Hampshire reduce the amount of food that they waste. You may have noticed the shortages of some fresh foods reported in the news recently, as well as rising prices in shops. Reducing food waste is one way that everyone can help to deal with these problems. <https://hampshirecc.welcomesyourfeedback.net/s/foodwaste>

**New HCC grants available to help community pantries:** More info available here - <https://www.hants.gov.uk/News/20230714hsfpantries>
